Florida State University

SDRC

Student Disability Resource Center

Dean of Students Department

Division of Student Affairs

Available in Alternative Format

Mission Statement:

FSU is noted for its accessibility and sensitivity to students with disabilities.

By providing support services at no cost to students with disabilities, the Student Disability Resource Center offers an opportunity for students to achieve their academic and personal goals.

As the primary advocate on campus for students with disabilities, the SDRC works with faculty and staff to provide accommodations for the unique needs of students both in and out of the classroom.

Confidentiality

Student names and the nature of disabilities are kept confidential and used solely for the purpose of providing accommodations.

How to Register for Services

Students who choose to disclose their disability to receive accommodations must provide documentation and make an appointment to register for services. Guidelines for documentation are on SDRC's website. Staff members will determine reasonable accommodations. **Students must be admitted to the University to register for services.**

SDRC Accommodations

Students who are registered with SDRC should familiarize themselves with policies and procedures for accommodations by accessing the SDRC Student Resource listing on the SDRC website (www.disabilitycenter.fsu.edu) It is the student's responsibility to understand and abide by these policies and procedures.

Academic Accommodations

(Available based on documented need)
