IMPORTANT INSURANCE UPDATE

Domestic Students

Changes to the University insurance plan for the upcoming 2017/18 academic year include:

The plan will be offered to students of Florida State University only. The plan will not offer dependent coverage for the 2017/18 academic year.

Physician visit copays will increase to $30 in network and $40 out of network.

The following changes are only applicable to services provided outside of the FSU Health Center:
- Laboratory copays will increase to $15 in network and $15 out of network.
- X-ray copay will increase to $20 in network and $20 out of network.
- Injections copay will increase to $20 in network and $20 out of network.
