# CVS Virtual Care®

From sniffles to stress, and everything in between, we've got you covered. Your Aetna® Student Health plan includes access to CVS Virtual Care, making it easy to connect with care when and where you need it.

**Why CVS Virtual Care?**

- 24/7 access to care through a virtual clinic
- Mental health support, with most appointments available within two weeks
- Affordable care options, with some services starting at $0, depending on your health insurance plan benefits

If you're traveling within the U.S. or unable to visit University Health Services, **CVS Virtual Care** gives you another convenient way to access medical care. Visit **CVS.com/virtual-care.com** from your computer or mobile device to learn more. You can also call CVS Virtual Care at **(866) 211-5678**.
