#### YOUR SIGNATURE BELOW ACKNOWLEDGES THE FOLLOWING:

1. I understand and acknowledge by signing this document that I give University Health Services permission to file a claim to my health insurance carrier for the purpose of payment for services I have received at UHS. I further understand and agree that UHS may not be a contracted provider with my individual health insurance plan and that I may be responsible for any unpaid balance, or services not covered by my insurance plan. I understand that it is my responsibility to know what coverage I have under my individual plan. I give UHS permission to place these unpaid balances on my account with Student Financial Services. I am aware that any unpaid balance on my account with Student Financial Services will generate a "hold" being placed on my registration and that I may be assessed service fees on balances not paid by the due date assigned by Student Financial Services.
2. **RELEASE OF INFORMATION:** I understand that my healthcare information may be exchanged verbally among health care providers of University Health Services (UHS) and Counseling and Psychological Services (CAPS) for continuity of care purposes. UHS and CAPS will follow state and federal laws, including HIPAA & FERPA, when protecting the release of sensitive information, which includes medical, psychiatric, social or psychological records including drug and alcohol abuse or addiction data, or HIV/STD information.  
 I understand, I may opt-out (decline) participating in this exchange of information at any time. I understand that I have the right to revoke this authorization, except to the extent action has already been taken by UHS and/or CAPS. I further understand that this does not authorize release of medical or mental health record copies, which requires a separate written authorization by me.
3. I understand I have a right to revoke this authorization at any time, except for cases where information has already been disclosed to those listed above. **I understand that if I revoke this authorization, I must do so in writing by completing a new Patient Disclosure Authorization Form.** Unless otherwise revoked, this authorization will remain on file in my electronic health record.
